# Benefits for Prospective Students

## Master of Science (MSc) Management and Law

### DO YOU HAVE MANY INTERESTS?

#### EXPLORE YOUR OPTIONS!

A BSc in business law, business administration, or legal studies is a first-rate qualification which opens many doors. Among other things, it allows you to study for an MSc in Management and Law.

### DO YOU WANT MORE?

#### REACH FOR NEW HORIZONS!

An MSc in Management and Law offers real added value:

#### Educational Horizons

You will acquire legal knowledge, management skills, as well as the ability to employ integrated thinking at an advanced level.

#### International Horizons

You will assemble a tool kit to succeed in an international work environment.

#### Strategic Horizons

You will learn to think and act strategically and to develop and implement effective strategies.

#### Communicative Horizons

You will become bilingual by using both German and English to study, take part in discussions, give presentations, and produce written work.

#### Career Horizons

You will be able to work at your studies and your job, acquire knowledge and experience, and optimize your resume, all at the same time.

### DO YOU WANT EVEN MORE?

#### DISCOVER NEW POSSIBILITIES!

A Master's degree in Management and Law will open up new perspectives:

#### Specialization

You will be able to focus on individual areas of research and concentrate on the fields of study that interest you.

#### International Experience

If you want, you will be able to study abroad for one semester at one of over 100 partner universities of the ZHAW School of Management and Law.

#### A Double Master's Degree

Just one or two additional semesters of study will enable you to earn a second Master's degree, such as an LL.M. in Business Law from WIESBADEN BUSINESS SCHOOL in Germany (a market leader in tax and finance programs) or a Master de droit européen et international des affaires from the prestigious UNIVERSITÉ PARIS DAUPHINE.

### IMPATIENT? A DIRECT PATH TOWARDS YOUR MSC!

An MSc in Management and Law will advance your career:

#### Direct Entry

A BSc in Business Law will allow you start the MSc program immediately, without having to meet additional requirements, and complete it within four semesters of part-time study.

#### Keep Working

You will be able to benefit from a compact timetable designed to allow you to continue working part-time (up to 50%). If your job requires you to work more (70–80%), choose our six-semester option.
